Memorandum by the Secretary-General; first report of the General Committee

1. **The Chairman** recalled that, at its meeting on 17 September 2008, the General Committee had decided to postpone to a later date its consideration of the question of the inclusion of the item entitled “Question of the Comorian Island of Mayotte” in the agenda of the sixty-third session of the General Assembly. That decision was reflected in paragraph 50 of the first report of the General Committee to the General Assembly (A/63/250).

2. *The Committee decided to recommend to the General Assembly that consideration of the item should be deferred to the sixty-fourth session, and that the item should be included in the draft agenda of that session.*

The meeting rose at 3.20 p.m.
